SUMMARY

I am a **work and holiday visa holder (subclass 462)** with a positive skills assessment from VETASSESS for the nominated occupation of **Other Spatial Scientist** (ANZSCO Code: 232214) which assessed my background and experience as comparable to the education level of an **Australian Qualifications Framework (AQF) Bachelor Degree** or higher degree. I am seeking opportunities in **geospatial-related fields**, including GIS & remote sensing, LiDAR, photogrammetry, imagery analysis, and spatial data processing in Australia, along with a background in **Geodesy and Geomatics Engineering** and over 3+ of professional experience in Indonesia. Find my portfolio: <https://dammayatri26.github.io/dammayatri-portfolio>

PROFESSIONAL EXPERIENCE

Monitoring and Data Program Officer

Melbourne, Victoria

Global EverGreening Alliance

Oct 2025 - July 2026

- Assist in the development and implementation of data collection tools for land restoration projects across Africa.
- Designed and deployed web-based GIS applications and interactive mapping tools to support real-time data collection and project monitoring.
- Implemented and managed GIS data processing workflows using ArcGIS Pro and other related GIS software
- Work closely with satellite imagery to assess restoration eligibility in alignment with Gold Standard requirements.

GIS Analyst Volunteer

Melbourne, Victoria

Global EverGreening Alliance

April 2025 - Oct 2025

- Involved in the Research, Monitoring, Evaluation, and Learning team for carbon and reforestation projects to support GIS tasks pertaining to baseline surveys in Eastern Uganda.
- Interpret and manage spatial datasets, creating maps, dashboards, and field-ready mapping applications for field data collection using ESRI Environment including ArcGIS Pro, ArcGIS Online, ArcGIS Dashboard, and ArcGIS Field Maps.

GIS Analyst

Jakarta, Indonesia

Satu Dental Indonesia

Oct 2023 - Jan 2024

- Worked closely with cross-functional teams to identify company needs for dental clinic expansion and delivered customized solutions.
- Conducted spatial data analysis using hexagon and successfully created a dental clinic model for the next expansion area in all over Java and metropolitan cities in Indonesia.
- Created, updated, and managed geospatial datasets, including mapping the company's competitors and geocoding 50000+ patients to map the distribution of clinic patients.
- Prepare and deliver reports, presentations, and documentation related to GIS analysis.

GIS & Remote Sensing Analyst

Jakarta, Indonesia

PT Garis Posisi Nusantara

Aug 2020 - Sept 2023

- Worked closely with GIS & Remote Sensing, LIDAR, and photogrammetry for survey and mapping.
- Conducted complex spatial analysis and remote sensing methodology using advanced GIS/Remote Sensing tools resulting in the production of insightful maps such as Land Use Land Cover Change, DEM, and imagery intelligence.
- Performed LiDAR and aerial data processing to produce classified point cloud, DTM, DSM, contour, and orthophoto according to client requirements.
- Collaborated with global imagery vendors about high-resolution satellite imagery products and solutions, prepared and delivered GIS-related training to clients, and worked closely with the field survey and team to ensure quality data.

Data Analyst - Internship

Jakarta, Indonesia

Warung Pintar

Dec 2019 - Jan 2020

- Worked closely with the engineering team to manage databases and SQL to analyze data from customers.
- Analyze, identify, and report any data integrity and related issues in supply chain management from the warehouse or end customer, and participate actively in team meetings.
- Involved in business development projects and conducted market segmentation research using spatial analysis to locate potential sites for delivery services and logistic partners in Jakarta Metropolitan Area.

FREELANCE ACTIVITIES

Route Certification Assistant

Jedsy

Switzerland, Remote

Feb 2024 - Mar 2024

- Used QGIS to plan and assess drone flight paths for safe and efficient delivery of medical supplies.
- Adhered to instructions and detailed guidelines to create accurate drone flight paths.

Maps Quality Assurance

Quadrant.io

Jakarta, Remote

Aug 2023 - Feb 2024

- Review and evaluate point-of-interest (POI) data collected by users according to specified guidelines.
- Ensure attention to detail and adherence to guidelines to maintain data accuracy and quality.

GIS Analyst

Kopilivium

Jakarta, Remote

Dec 2023 - Jan 2024

- Performed spatial analysis using hexagon to locate and choose an optimal coffee shop business location.
- Visualized maps that illustrate potential location, competitors, and population demographics.

CASUAL JOB EXPERIENCE

Process Worker

Golden Cockerel

Mt Cotton, Queensland

June 2025 - Present

- Packing and hanging cold raw chicken, pieces and whole bird
- Handling raw chicken products

EDUCATION

Bachelor of Science in Geodesy and Geomatics Engineering

Bandung Institute of Technology (ITB) | GPA: 3.40/4.0

Bandung, Indonesia

Aug 2016 - Jul 2020

LICENCES & CERTIFICATIONS

- **Other Spatial Scientist (ANZSCO Code: 232214)**
VETASSESS | Feb 2028
- **HLTAID009/HLTAID010/HLTAID011 - Provide First Aid** | [Link](#)
Registered Training Organisation (RTO) | Jan 2028
- **Geographic Information System Analyst** | [Link](#)
Indonesian Professional Certification Authority | Mar 2024
- **ALS80-HP Workflow Processing and Execution Flight LiDAR** | [Link](#)
Leica Geosystem Indonesia | Issued: Jan 2021

SKILLS

Technical Skillset:

- Spatial Data Processing
- Imagery Processing
- Spatial Data Management
- LiDAR Data Processing
- Photogrammetry Processing
- Visual Intelligence Imagery Analysis

Spatial Software and Others:

- ArcGIS / QGIS / Global Mapper
- Agisoft Metashape / PIX4Dmapper
- Microstasion / Terrasolid
- Google Earth Engine, ENVI, ERDAS Imagine, PCI Geomatica
- Trimble Inpho Photogrammetry
- SQL
- Tableau
- Inertial Explorer / HxMap
- Microsoft Office suite

ADDITIONAL INFORMATION

- **Visa:** Work and Holiday Visa Subclass 462
- **Languages:** English (professional working proficiency), Bahasa Indonesia (native).
- **Portfolio:** <https://dammayatri26.github.io/dammayatri-portfolio>
